

Brookline Selectboard Minutes (Draft)  
Special Town Plan Meeting  
July 29, 2010

1. Chairman Doug Wellman called the meeting to order at 7:01 PM. Present were board members Mike Winot, Alicia Dest and Kim Rink. Board member Mike Fontaine arrived late due to a previous commitment. Planning Commission members Cynthia Nau and Barbara Bourne were present. Members of the public attending were Kerry Bourne, Pat Ballou, Barclay and Joan Ward, and Tom Staats.
2. Doug thanked the Planning Commission again for their many hours of work on the draft Town Plan. He made some general comments on the content of the plan and a conversation he had with Susan McMahon (Associate Director, Windham Regional Commission) concerning the use of the term "policy" in the plan. He asked the planning commission members about the maps that were not included in the plan. The maps all remain unchanged from the 2005 plan.
3. Members of the public were all given an opportunity to speak about the plan.
4. The board then reviewed the plan section by section. The members of the public also made comments in most areas. The board recommended numerous changes, most in the policy and recommendation areas. Doug will edit the plan and provide a revised document for review at a future selectboard meeting. At that time the public hearing will be scheduled.
5. The meeting was adjourned at 10:01 PM.

Respectively submitted  
Douglas Wellman  
Chair, Brookline Selectboard
