

Dear Guy,

The Vermont School Boards Association is pleased to share a new video resource on our website for citizens thinking of running for school board. You can view it [here](#) as part of the New School Board Members Tool Kit on our website. The New Board Members Toolkit is designed to provide newly-elected and prospective school board members with the information they need to make an informed decision about the role of school boards and the scope of their work in Vermont.

We're hoping that you will find it a useful resource and will post it to your municipality's website. The code for embedding it from YouTube is

If you have any questions about the content or embedding procedure, please let me know or contact Susan Holson, VSBA Director of Education Services at sholson@vtsba.org or 802-223-3580.
