

Brookline Historical Society

Friday, April Second

The meeting was called to order at 6:30pm at the Round Schoolhouse.

Doug Wellman and Joseph Dutton Present.

The only agenda item is potential use of the \$5,000 of grant money that must be spent by August first.

Doug Wellman is looking into getting a quote on having the windows restored.

There was discussion on the possibility of putting power into the building. Both Doug and Joseph believe that this is not necessary or in keeping with the historical aspect of the building.

Doug and Joseph think that the best use of the \$5,000 would be to restore the windows and then to use the remainder of the money to restore the shed.

Meeting Adjourned at 7:15pm
