SLP Rent Payment

Mr. Mello explained that Suzy's Little Peanuts had previously asked that the Town forgive the rent payment for April, and the Board had agreed to delay the payment until April 15, pending further discussion at tonight's meeting. In the interim, Suzy has provided the Town with the full payment for April. After discussion it was decided that no further action need be taken by the Board at this time.

Summary / Update / Reports

Guy Tanza - Town Clerk Report

Mr. Tanza reported that the Clerk's office is still handling business as usual, albeit mostly via phone and email with the physical Town Office still being closed to the public for the time being. Scanning of the books continues remotely, and requests are still being fulfilled thanks to remote access to the content. Mr. Tanza wishes to thank the Town for their patience during this difficult time. There was brief discussion of the potential for changes to the voting process for the November election, and Mr. Tanza noted that nothing has been clearly defined by the State as of yet.

Highways & Roads

Mr. Dutton stated his feeling that the Town's consideration of renting a different piece of equipment this summer (than what has typically been rented for road mowing), with an eye towards a potential future purchase, should be put aside for now given the uncertainty that the pandemic has created. The other Board members all expressed agreement with that thinking.
